

Overnight electrical relocation in front of Pape Station

Expected start date: As early as April 28, 2024

Duration: One (1) night

Hours of work: 9 p.m. to 5:30 a.m.

What is happening?

- To enable future Ontario Line work near Pape Station, crews will be relocating electrical utilities in front of the station on Pape Avenue.

- Work will involve moving a transformer from an existing pole to a new pole and rerouting electrical service through the relocated transformer.
- Work is taking place overnight to minimize the impact to the public and the TTC station.

What to expect

- Work will begin as early as April 28 for one night.
- Work will take place from 9 p.m. to 5:30 a.m.
- Crews will occupy the northbound curb lane on Pape Avenue in front of the TTC station.
- Parking will not be available between the north end of the TTC bus loop and Gertrude Place.
- The TTC bus stop in front of Pape Station servicing routes 81 and 25 will be blocked by the work zone. An alternate stop will be between the Pape Avenue bus loop entrance and Gertrude Place. Paid-duty officers and site staff will ensure the location remains clear for bus access.
- Residents and businesses near the site can expect noise from trucks and other construction equipment.
- Traffic controllers and a paid-duty officer will be on site to assist with traffic flow.

Note:

- All necessary construction permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.
