

Rail Replacement between Kingston/Highway 2 to Scarborough Golf Club Rd

May 3rd – May 4th

WORK OVERVIEW

Routine track maintenance is scheduled to occur between Kingston Rd/Hwy 2, just before Scarborough Golf Club Rd. The scope of work involves the removal of the most Northern track and the installation of new rail sections. This maintenance work will result in construction noise persisting throughout the day and night, as heavy machinery, including equipment that reverses periodically, will be utilized.

WHAT TO EXPECT

The track maintenance is expected to be disruptive and noisy due to the extensive use of heavy machinery. Anticipate significant activity and noise related to the machinery operations during this period.

GO EXPANSION CORRIDOR WORK

Metrolinx's GO Expansion program will transform transportation along the Lakeshore East corridor. Faster, more frequent, quieter service is coming to all stations on the Lakeshore line. Future work includes track upgrades and the installation of electrification infrastructure to allow for the future operation of quieter, cost effective and environmentally friendly electric trains.

QUESTIONS

If you have any questions or concerns about this work, please contact us any time at torontoEast@metrolinx.com. For more information on GO Expansion in your community, visit our website at metrolinx.com/en/projects-and-programs/lakeshore-east-line-go-expansion

As with all construction, work may be adjusted, rescheduled or extended due to weather conditions or unforeseen circumstances.
