

# Road Closure for Duct Bank Works at Armdale Road

Beginning Wednesday May 8, 2024 at 7 a.m., to Friday, May 17, 2024 at 10 p.m.

Works scheduled 7 a.m. - 10 p.m until completion.

## What work is taking place?

To power the light rail vehicles on the Hazel McCallion Line, crews must connect traction powered substation (TPSS) units to the City of Mississauga's electrical grid. In order to complete this, crews must conduct Alectra duct bank work on Armdale Road. During this process, access between Armdale Road and Belbin Street will be closed. A detour route is available via Hurontario Street and Nahani Way. This work is scheduled for **Wednesday May 8, 2024 at 7 a.m., until Friday May 17, 2024 at 10 p.m.**

Construction work is scheduled to take place from 7 a.m. – 10 p.m., until completion. Emergency vehicle access to Armdale Road east of the plaza entrance will not be maintained. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axes, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to [peel@metrolinx.com](mailto:peel@metrolinx.com) and our team will provide you with e-updates of this work.

### TIMING

- Intersection work is scheduled to begin May 8, 2024 until May 17, 2024
- Construction is scheduled to occur from 7 a.m. - 10 p.m., until completion.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

### TRAFFIC DETAILS
