

Partial Intersection Closure for Track Installation at Elm Drive and Hurontario Street

Beginning Monday, April 8, 2024 at 10 p.m. to Monday, May 6, 2024 at 10 p.m.

What work is taking place?

Crews will be welding tracks and doing concrete work for guideway installation within the intersection of Hurontario Street and Elm Drive. During this construction, east-west traffic and left turns will not be permitted at the intersection. Detours routes are available via Kariya Drive, Joan Drive, Central Parkway and Mississauga Valley Boulevard. Work is scheduled to begin on **Monday, April 8, 2024 at 10 p.m. until Monday May 6, 2024 at 10 p.m.**

In order to expedite construction, works at this intersection is scheduled to take place from 7 a.m. - 10 p.m., seven days per week, until completion in one stage. Overnight work is required on the first day so crews can safely set up the staging for area. East-west access across the intersection for emergency vehicles will not be maintained. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure.

MiWay routes 8 and 3 will be detoured due to the partial intersection closure. Please visit www.miway.ca/updates for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axles, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.
