

Update: Demolition of 10 Gertrude Place

Expected start date: As early as Tuesday, May 21, 2024

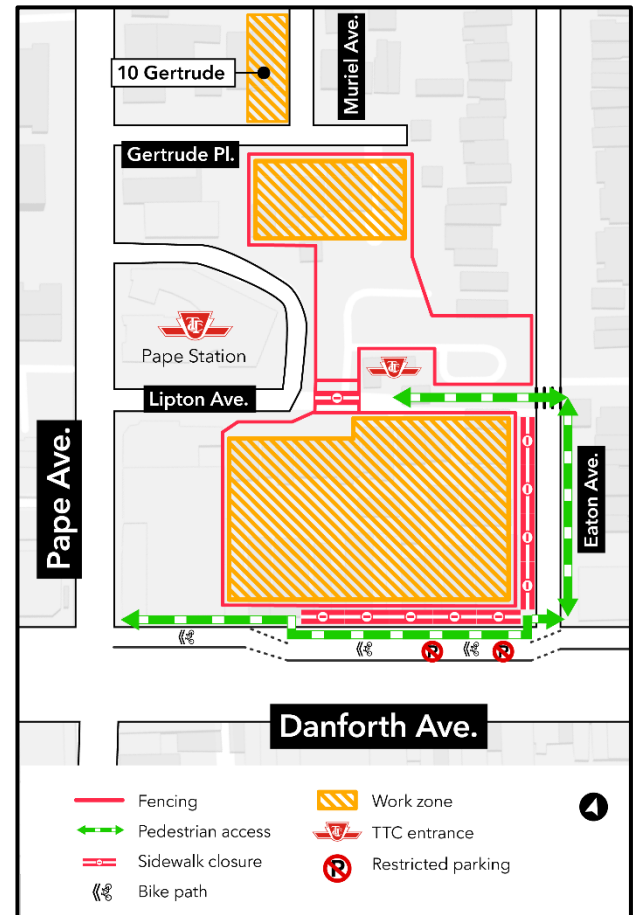

Expected duration: Until late June 2024

Hours of work: Monday – Saturday, 7:00 a.m. to 4:00 p.m.

- As part of demolition activities, the property at 10 Gertrude Pl. will be demolished.
- Crews will begin by installing a fence at the property line. Portions of the building closest to neighbouring properties will be demolished by hand. The rest of the building will be demolished with construction equipment such as an excavator.
- A garbage bin will be installed in the backyard to contain demolished material. A truck will empty the bin once every 2 days. The truck will access the property through Muriel Ave.
- Following demolition, backfilling and compaction activities will take place.

What to Expect

- During demolition, noise from construction equipment, hand tools, and dump trucks can be expected.
- Vibration from backfilling and compaction activities can be expected.
- Construction equipment and materials will be secured within the work zones.
- Signage and safety barriers will be in place to delineate work zones.
- This work may be delayed due to inclement weather and/or unforeseen circumstances.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
