

Trail Widening at the Lower Don Trail

Expected start date: As early as May 24, 2024

Expected duration: Two months

Days of work: Monday to Saturday

Hours of work: 10:00 p.m. to 5:00 a.m.

What is happening?

- Starting as early as May 24, 2024, crews will begin with trail widening at the Lower Don Trail.
- The trail will be widened to a total width of 4 meters to create a new Access Road from Beechwood Drive to the two future shaft locations (as shown on the map above).
- The shafts will be constructed to facilitate the installation of a new sanitary sewer. This work will take place after the trail widening is completed.
- All work will take place Monday to Saturday between 10:00 p.m. and 5:00 a.m. for approximately eight weeks.
- The trail will be opened and made safe for public use during the day.

What to expect

- Work will be conducted using excavators, loaders, and compaction drum rollers.
- Minimal noise is expected from the above equipment during work hours.
- Noise, vibration, and dust impacts will be monitored throughout the working hours and all efforts will be made to mitigate any impacts.
- Temporary fencing around the trails will be installed to ensure the safety of trail users.
- All required permits have been obtained from the City of Toronto for this work.
- This work may be delayed due to inclement weather and/or unforeseen circumstances.
