

Lakeshore East Rail Corridor: Weekly Overnight Work Update

Update for the weeks of: Sunday, May 26 - Thursday, June 6, 2024

Hours of work: 8 p.m.- 5 a.m.

This notice provides an update on the overnight work happening in the rail corridor over the next two weeks. It is updated every Friday.

What is happening?

Construction work is underway in the Lakeshore East rail corridor to prepare for the future Ontario Line. Overnight work is required to complete activities that construction crews cannot do safely while trains are active and running in the corridor. Night work may continue beyond the dates covered in this update. More information will be provided on a weekly basis.

Date	Location	Activity
<ul style="list-style-type: none"> Sunday, May 26 to Thursday, May 30, 2024 	Within rail corridor, around the Dundas St. E. bridge and Queen St. E. bridge.	 Support of excavation work (lagging and tieback installation).
<ul style="list-style-type: none"> Activity is ongoing Monday - Fridays through July 2024 	Within rail corridor between Gerrard St. E. and Pape Ave.	 Utility installations.
<ul style="list-style-type: none"> Starting as early as Monday, June 3 to Thursday, June 6, 2024 	Within rail corridor, next to Jimmie Simpson Park	 Retaining wall installation (potential)
<ul style="list-style-type: none"> Sunday, June 2, 2024 	On Dundas St. E. between Logan Ave. and De Grassi St.	 Traffic staging (preparing new traffic layout)

What to Expect

- Noise from construction equipment mentioned above can be expected.
- Noise mitigation measures, including temporary noise barriers and noise reducing equipment (baffles), will be implemented during the day, and overnight as required.
- Overnight site lighting will be positioned downward into the rail corridor and away from residential properties.
- Construction equipment and materials will be secured within the work zones.
- Daytime work will continue throughout the rail corridor Monday - Friday, and periodically on Saturdays.
- Night work will continue to take place periodically in the rail corridor through summer 2024.
- Individual notices will be issued when construction work impacts traffic, pedestrians or requires disruptions to TTC or GO Train services.
- Work may be rescheduled due to inclement weather and/or unforeseen circumstances.
- Work locations are subject to change and may vary based on site conditions and/or schedule requirements.

Work outside of the rail corridor:

Utility installations and reconstruction of the GO rail bridges at Queen St. E., Logan Ave., and Dundas St. E. will also continue through 2024. Some work will require road, sidewalk, TTC and GO rail closures. Additional notices will be issued for construction activities outside of the rail corridor.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 transit connections, including GO, TTC, and more.
- Approximately 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day
