

# Updated: Daytime and Overnight Track Grinding on Eglinton Avenue East between Leslie Street and Kennedy Road

As early as Wednesday, May 22, 2024

## What Work is Taking Place?

As early as Wednesday, May 22, 2024, crews will be performing overnight track grinding works on Eglinton Avenue East, between Leslie Street and Kennedy Road. Crews will move along the guideway performing work on the eastbound and westbound tracks. Periodic turn restrictions and lane reductions may be required while work takes place in the intersections. A Traffic Control Personnel and/or Paid Duty Officer will be present while this work takes place in the intersections.

**One lane of traffic will be maintained at all times on Eglinton Avenue East. This work is expected to take place during the daytime and overnight periods between 3:00 p.m. and 7:00 a.m., for approximately two (2) months.** Upon completion of this work, periodic short-term lane reductions may be required on Eglinton Avenue East to facilitate special activities.

## What to Expect

Daytime and overnight noise from construction activities, including grinding metal, can be expected. Crews will move along the guideway performing work on the eastbound and westbound tracks. Periodic turn restrictions and lane reductions may be required while this work takes place in the intersections. A Traffic Control Personnel and/or Paid Duty Officer will be present while this work takes place in the intersections. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue East. Expect delays while traveling through the area.

---
