

Hydro One Tower Installation at West Don

Expected start date: As early as May 27, 2024

Expected completion date: August 29, 2024

Hours of work: Weekdays from 8:00 a.m. to 4:00 p.m.

Days of work: Monday to Thursday with some weekend work as required

What is happening?

- As early as May 27, crews will begin to construct two new Hydro One towers at the locations identified above. This work is required to facilitate the Metrolinx construction of the Don Valley Crossing bridge for the future Ontario Line subway.
- Construction activities will include excavation, assembly, and installation of the new towers.
- This work will take approximately three and a half (3.5) months to complete.

What to expect

- Work will be done using an excavator, trucks, dump trucks, and large cranes.
- Expect noise from the construction equipment mentioned above.
- The following trails will be closed during the duration of this work: Catalyst, Boo Trail and Bunny Run.
- Safety measures will be put in place by Hydro One to delineate the work areas from public-use areas.
- Half of the parking lot at the Flemingdon Park soccer fields will be closed off during the duration of this work and will re-open when work is complete.
- There will be no impact to the Flemingdon Park soccer field.
- Equipment will be left on site and will be secured and protected with fencing, safety signage, and on-site security.
- Work may be delayed or rescheduled due to unforeseen weather conditions.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
