

East Harbour Transit Hub: Eastern Avenue Road Closures

July - August 2024

Map showing road closures with traffic detoured between Broadview and Logan Avenues. For illustrative purposes only. Not to scale.

What Is Happening

With the ongoing reconstruction of the Eastern Avenue Bridge, there will be road closures on Eastern Avenue between Broadview Avenue and Logan Avenue to ensure a safe working zone for the crews and vehicle traffic. Marked detour routes will be in place for vehicles and pedestrians with “local traffic only” granted access to parts of Eastern Avenue. Vehicles and pedestrians will be required to follow detour signs and use Queen Street for East/West travel during closure.

- **Night Road Closures:** During July 2-6, July 8-13, and July 15-20 (if required), anticipate nightly road closure that will begin at 10:00 pm until 5:00 am the next morning.
- **Weekend Road Closures:** Road closures will begin at 11:00 pm on Friday until 5:00 am on Monday morning during the weekends of August 16-19, August 23-26, and August 30-September 2.

Project Overview

The new East Harbour Transit Hub will be located just east of the Don River and north of Lakeshore Boulevard East, in the Riverdale neighbourhood. This interchange station, on the Lakeshore East GO line, will provide seamless connectivity to more GO services, the future Ontario line, and the TTC Broadview streetcar, in a corner of the city that is poised for growth. The East Harbour Transit Hub will also divert some of the commuter traffic away from Union Station and will be an alternate station for transferring between transit lines and services.
