

Paton Road Storm Connection and Water Service Relocation

Tuesday July 2, 2024 – Wednesday July 31, 2024

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line.

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

In order to complete the storm connect and water service relocation from Metrolinx Right of Way to the City of Toronto Right of Way, a closure on Paton Road is required. Work hours are expected to be from 0700-1900 and there will be no vehicular traffic or access to the parking lot during these hours.

WHAT TO EXPECT

- Noise - Back-up Alarms, all vehicles to be equipped with broadband backup alarms. Operational Equipment Noise, no vehicle or equipment idling, Equipment noise and increased truck traffic.
- Noise impacts - All vehicles and equipment on site will be equipped with backup alarms. Artificial Lighting impacts - All light plants will be pointed in the direction of the corridor and facing the ground as not to shine in any business or residential windows.
- Water impacts - Temporary water service impacts may affect residents and buildings in area

HOURS OF WORK

- 07:00-19:00

HOURS OF CLOSURE

- Continuous - **There will be no access for vehicles during this closure.**

TRAFFIC DETAILS

- There will be no vehicular traffic or parking lot access.

OTHER INFORMATION

- These dates are tentative and may be subject to change due to weather or unforeseen circumstances.
- Work will be conducted as quickly and efficiently as possible to minimize disturbance but residents and businesses in the area can expect to hear noise caused by trucks, equipment, machinery, and crews.
