

# Maple GO Station: Major Mackenzie Bridge Overnight Work

July 15<sup>th</sup> - August 15<sup>th</sup>, 2024 from 2100-0500

## Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections.

Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

## What You Need to Know

Metrolinx is continuing to make progress on upgrades along the Barrie rail corridor in support of GO Expansion!

As part of works on the future Major Mackenzie pedestrian bridge, work will be underway starting July 15<sup>th</sup> - August 15<sup>th</sup> to install the bridge conduits and conduit brackets on the existing rail bridge.

## **What to expect**

Nearby residents may experience some noise and vibration from the use of heavy construction equipment including the scissor lift.

Work will occur overnight to increase safety and reduce traffic impacts. This work will require a rotating single-lane closure along Major Mackenzie Avenue between Hill Street and Ontario Street. A traffic management plan will be in place to allow vehicles and cyclists to navigate through this area of the street when the lane closure occurs.

We understand that we are conducting work near a residential area and that overnight work is not ideal. We appreciate your patience and will complete this work as efficiently as possible to get things back to normal for you.

These improvements will allow for increased accessibility to Maple GO upon completion. We thank you for your patience as we work to get you where you need to go, faster and easier.

## **Questions**

We have a dedicated community relations team in place to work with residents and businesses in the York Region. If you have any questions or concerns about this work, please contact us anytime at **[YorkRegion@metrolinx.com](mailto:YorkRegion@metrolinx.com)**.

Write to us at: [YorkRegion@metrolinx.com](mailto:YorkRegion@metrolinx.com)

Call us at: **416-202-4453**
