

East/West Traffic and Turning Restrictions for Track Installation at Mineola Road and Hurontario Street

Beginning Monday July 22, 2024 at 10 p.m. to Monday August 19, 2024, at 10 p.m.

Project Overview

The Hazel McCallion Line project will be an 18-kilometre, 19-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal.

What You Need to Know

Crews will be welding tracks and doing concrete work for guideway installation within the intersection of Hurontario Street and Mineola Road. This work is scheduled to begin **Monday July 22, 2024, at 10pm, until Monday August 19, 2024, at 10pm**. During this work, east-west traffic will be prohibited at Mineola Road, across Hurontario Street in each

direction. Left turns will also not be permitted in the intersection. Detours for eastbound traffic along Mineola Road are available via Woodland Avenue, Inglewood Drive, Oriole Avenue, and Eaglewood Boulevard at the new signalized intersection to cross Hurontario Street. Detours for westbound traffic along Mineola Road are available via Broadmoor Avenue, Windy Oaks, Crossfield Bend, and Eaglewood Boulevard at the new signalized intersection to cross Hurontario Street.

In order to expedite construction ahead of the start of the school year, works at this intersection is scheduled to take place from 7 a.m. - 10 p.m., seven days per week. Overnight work is required on the first day so crews can safely set up the staging area. Access for emergency vehicles across Hurontario Street along Mineola Road will not be maintained. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure.

Transit services will be impacted by these construction works, including a detour for Miway Route 8. Please visit www.miway.ca/updates for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, triaxles, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.
