## Map of work area:

## What is happening?

To prepare for construction of the Ontario Line Subway at the future King-Bathurst Station, crews have been incrementally conducting investigations and installing monitoring devices near King Street West and Bathurst Street.

**Starting August 6<sup>th</sup>, 2024, crews will be in the area to install and test monitoring devices near 645 King Street West.**

## What to expect

- Temporary sidewalk and lane reductions for vehicles eastbound on King Street West, near 645 King Street West.
- The work is scheduled to begin August 6, 2024, and is expected to be completed during intermittent work shifts within a two-week period. Work will take place from 6:00 p.m. to 5:00 a.m.
- Area residents and businesses may see and hear noise from work equipment. Crews will take measures to minimize noise impacts wherever possible.

- Closures for work are temporary and intermittent; areas will only be closed while crews are surveying the specific areas. The areas will be returned to public use upon completion of the monitoring device installation.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- All necessary construction permits have been obtained.
