## KNOW BEFORE YOU GO

Planning your first adventure or your next one? Let us help you make it unforgettable.

- Kids 12 and under do not need a ticket or PRESTO to ride.
- During rush hour - Monday to Friday before 9:30 a.m. and between 3:00 and 6:30 p.m. - we ask that children ride in the train's lower level. The upper level of all trains is designated as the Quiet Zone by Audible during rush hour.
- Kids 12 and under also ride free on UP Express and TTC, if you're looking to extend your trip around Toronto or to Pearson Airport. For other transit agencies, please check their website to see their child fare rates.

Keep this guidebook close by and use it to help you easily travel on public transit.
