

Lower Jarvis Street Sidewalk and Gardiner Expressway Ramp Impacts

September 2024 (date to be confirmed)

What is happening?

Continuing into the winter of 2024, there will be increased construction activity at street level on Lower Jarvis Street and Lower Sherbourne Street south of the rail corridor as work crews continue foundation work for rail bridge expansions.

While construction progresses, work crews are working to make repairs and improvements to existing conditions to infrastructure, including sidewalk repairs at Lower Jarvis Street, north of Lake Shore Blvd. East, as part of Metrolinx's Good Neighbour Strategy. To repair the sidewalk safely, the on ramp on Lower Jarvis Street and Lakeshore Boulevard and sidewalk access will be closed for a weekend mid-September pending permit approvals.

What does this mean for you?

The following includes a sequence of activities that will impact the area:

- Lower Jarvis West sidewalk closure north of Lakeshore Boulevard
- Working hours: 8:00p.m. – 5:00a.m
- Gardiner onramp on from Lower Jarvis Street closure
- Adjacent communities may experience increased noise and dust during this period

We appreciate your ongoing patience and understanding of this necessary work. Dates subject to change.
