

Borehole Soil Sampling at 105 Ritchie Avenue

September 2024

Project Overview

As part of GO Expansion, Metrolinx is building a 270-metre underground pedestrian tunnel extension connecting Bloor GO/UP Station to Dundas West TTC Station. When finished, customers will have an accessible and safe pedestrian connection between GO Transit, UP Express and TTC services, to better support customers travelling throughout Toronto. This project supports the development of a regional rapid transit network that offers seamless connections to more stations and faster trains.

What You Need to Know

The contractor engaged for the Bloor GO (TTC connection) project will be proceeding with soil sampling at 105 Ritchie Avenue on September 16th and September 17th, 2024. This work is part of the Bloor GO project and will impact the area highlighted in red above. The work will not impact the Loblaws parking lot or its loading dock. The work is planned to take place during the day from the hours of 7:00am to 5:00pm. There may be noise impact to the surrounding area.

WHAT TO EXPECT

- Machinery including drill rigs and personnel working in the area.

HOURS OF WORK

- 7:00 a.m. to 5 p.m. (Monday September 16th and Tuesday September 17th)

TRAFFIC DETAILS

- No impact to the traffic accessing the Loblaws parking lot or Loading dock.

PEDESTRIAN DETAILS

- No impact to the commuters accessing the Loblaws parking lot or adjoining side streets.

TRANSIT INFORMATION

- No impact to the train operations from the Bloor GO station.

OTHER INFORMATION

- Increased noise levels to the residences surrounding the project area.

Information as of: Sept. 13th, 2024
