- Pedestrian access will be maintained on the east side of Simcoe Street and on Queen Street West, with assistance from a flag person.
- During this work, traffic will be detoured to use Duncan Street and the laneway to access Simcoe Street (see map).
- Trucks accessing the construction site will continue to do so from Queen Street West.
- Bicycle lane access to Simcoe Street will be closed from September 27-29 and October 4-6. It may remain open during the closure on October 11-13, if conditions permit.
