

Test pit investigations along Don Mills Road between Wynford Drive and Gateway Boulevard

Expected start date: September 23, 2024

Expected completion date: December 31, 2024

Hours of work: Day time work from 10 am to 3 pm

What is happening?

- In preparation for upcoming construction activities at the future Ontario Line elevated guideway and stations, crews will be gathering location information on existing utilities to help inform the design of the future guideway and stations.

What to expect

- The work will take place between 10 am to 3 pm, beginning September 23, and is expected to be complete by December 31, 2024.
- The work will occur starting at Wynford Drive to the north and Gateway Boulevard in the south.
- At times, some crosswalks will be temporarily closed to ensure safety during test pit work. Wayfinding signage will be used to safety direct pedestrians.
- To facilitate a safe work area, lanes of traffic will be shifted to the east or the west, while maintaining at least two lanes of traffic in each direction and paid duty police officers will be onsite to help direct traffic during construction periods.
- For this work excavation and hydro-vac equipment will be used. Some noise may be generated by the specified construction equipment and vehicles.
- Construction equipment and materials will be securely kept within work zones.
- Work may be postponed or rescheduled due to unforeseen weather conditions or other construction-related impacts.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips on the road each day.
