

Critical Infrastructure and Utility Works, Temporary Traffic Signal Activation, and Streetlighting Upgrades along Overlea Boulevard and Millwood Road

Expected start date: September 23, 2024
Expected duration: Throughout Fall 2024
Days of work: Monday to Friday
Hours of work: 7:00 a.m. to 4:00 p.m.

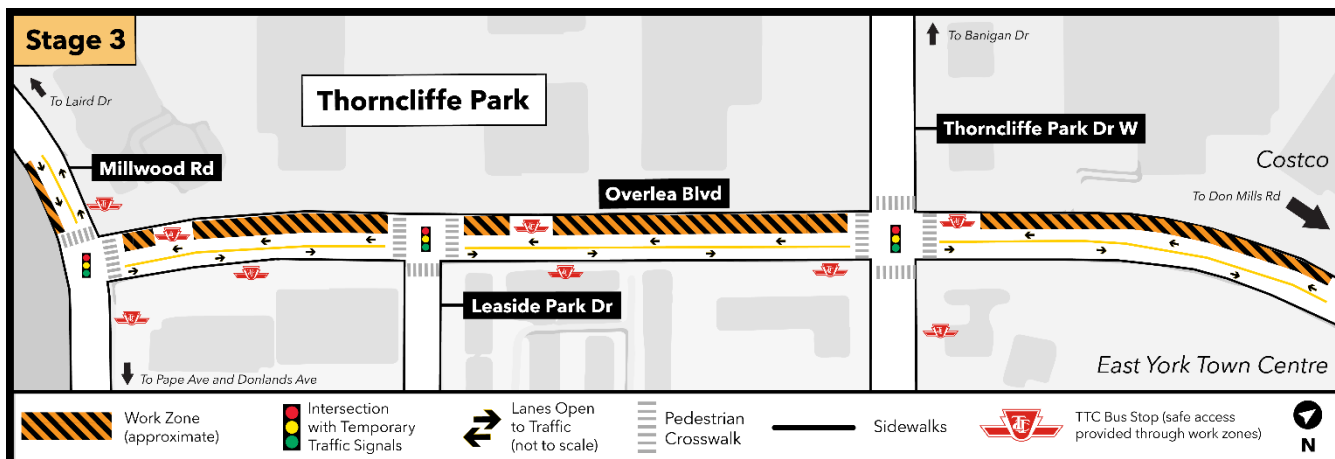

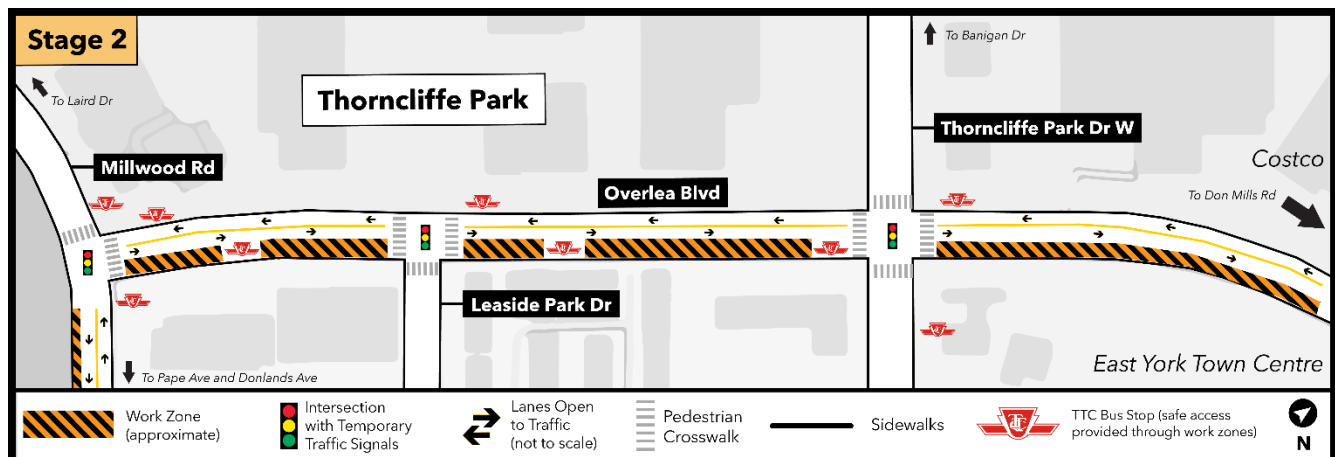

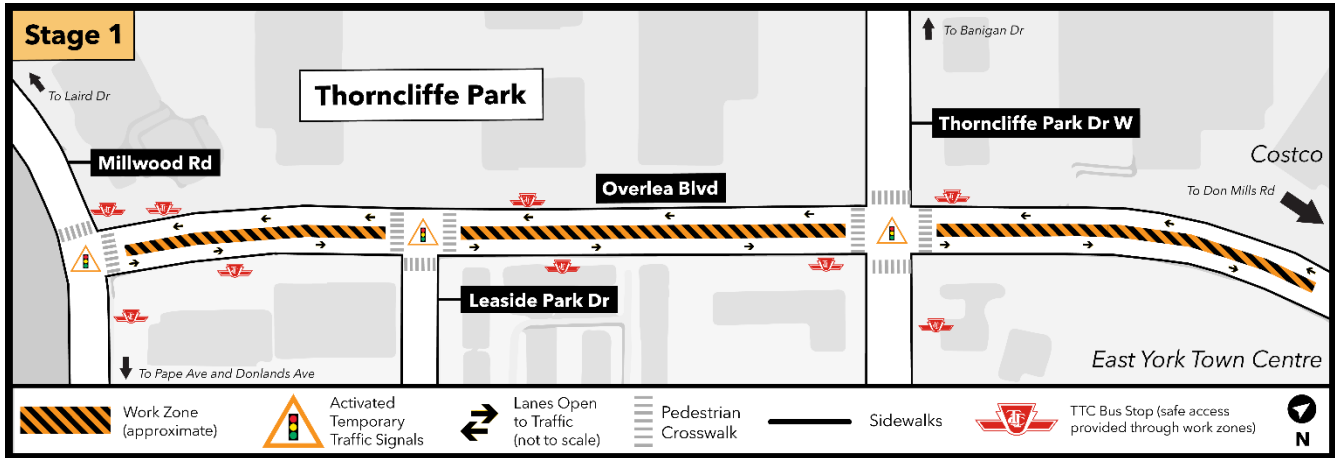

What is happening?

- Starting as early as September 23, 2024, crews will begin a sequence of construction works on Overlea Boulevard between Millwood Road and the block east of Thorncliffe Park Drive West (near Costco), and on Millwood Road immediately north and south of Overlea Boulevard.
- This work is necessary to prepare for future stages of Ontario Line construction in Thorncliffe Park.
- Construction activity will occur on Metrolinx and City of Toronto property.
- The work period is Monday to Friday between 7:00 a.m. and 4:00 p.m. and will last throughout the fall, up to and including December 2024.
- Construction will include the following activities over three consecutive stages, as shown in the table below (timing and duration of each stage will vary and may overlap):

	Location	Construction Activities
Stage 1	Overlea Boulevard at intersections with: <ul style="list-style-type: none"> Millwood Road Leaside Park Drive Thorncliffe Park Drive West 	Installing and activating temporary traffic signals at all intersections

	Location	Construction Activities
Stage 1 (cont'd)	Centre median of Overlea Blvd between Millwood Rd and Costco	<ul style="list-style-type: none"> Relocating critical infrastructure and utilities, including stormwater, sanitary, and watermain infrastructure under the roadway and sidewalks Installing LED streetlights
Stage 2	<ul style="list-style-type: none"> South side of Overlea Blvd between Millwood Rd and Costco Millwood Rd south of Overlea Blvd 	
Stage 3	<ul style="list-style-type: none"> North side of Overlea Blvd between Millwood Rd and Costco Millwood Rd north of Overlea Blvd 	

What to expect

- Temporary sidewalk closures, lane closures, and lane shifts will take place at various locations and times as work progresses within the boundary outlined in the overview map above. **At least one lane in each direction will remain open along Overlea Boulevard and Millwood Road at all times, and clear detour signage will be in place for pedestrian** detours.
- Traffic control personnel will manage truck and construction equipment traffic entering and exiting work zones. Traffic disruptions from truck and equipment movements will be minimal and brief.
- No major impacts to TTC bus services or stop locations are anticipated for this work.
- Safe temporary access will be provided to existing bus stops through active work zones.
- Work will be conducted using a variety of equipment such as excavators, hydrovac trucks, cement trucks, and paving equipment.
- Noise, vibration, and air quality impacts from equipment are expected to be minimal, however they will be actively monitored and mitigated. Water will be used to mitigate any dust.
- All required permits have been obtained from the City of Toronto.
- Construction may be delayed due to extreme weather and/or unforeseen circumstances.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
