

# East Harbour Transit Hub: Eastern Avenue Road Closures

October 15-25, 2024

Map showing road closures with traffic detoured between Broadview and Logan Avenues. For illustrative purposes only. Not to scale.

## What Is Happening

Due to the ongoing reconstruction of the Eastern Avenue Bridge, and the next phase of the bridge deck widening, **night work** will be required. To ensure a safe working zone for both crews and vehicle traffic, there will be **nightly road closures** on Eastern Avenue between Broadview Avenue and Logan Avenue. Vehicles and pedestrians will be required to use Queen Street for East/West travel during closure. There will be police on duty and East Harbour Transit Hub Alliance (EHTHA) traffic control persons stationed to help direct traffic.

- **Nightly Road Closures:** Between October 15 – 25, anticipate nightly road closure that will begin at 10:00 pm until 5:00 am the next morning, excluding Saturday and Sunday. First road closure will start at 10:00 pm on October 15, and last road closure will start at 10:00 pm on October 25.

## Project Overview

The new East Harbour Transit Hub will be located just east of the Don River and north of Lakeshore Boulevard East, in the Riverdale neighbourhood. This interchange station, on the Lakeshore East GO line, will provide seamless connectivity to more GO services, the future Ontario line, and the TTC Broadview streetcar, in a corner

of the city that is poised for growth. The East Harbour Transit Hub will also divert some of the commuter traffic away from Union Station and will be an alternate station for transferring between transit lines and services.

### WHAT TO EXPECT

- Residents and business in the area should expect some noise, vibration, and dust.
- Our operation staff will take precautions to minimize disturbances to residents, businesses, and commuters, including but not limited to the following: no idling of non-essential equipment, pointing lights away from residential windows, and work areas will be safely delineated.

### HOURS OF WORK

- Night work: Work starts at 10 pm until 5 am the next morning, excluding Saturday and Sunday.
- All other daytime work will be 5 am until 7 pm.
- There will be sporadic weekend work.

### LOCATION OF WORK

- On Eastern Avenue, between Broadview Avenue and Logan Avenue.

### PEDESTRIAN DETAILS

- Local traffic only will be permitted on Eastern Avenue during closure times, but the road will be closed at the bridge to all vehicles, pedestrians, and cyclist traffic.

- Pedestrians will be required to use Queen Street for East/West travel during closure times.

### TRAFFIC DETAILS

- Local traffic only will be permitted on Eastern Avenue during closure times, but the road will be closed at the bridge to all vehicles, pedestrians, and cyclist traffic.
- Vehicles will be required to use Queen Street for East/West travel during closure times.
- Police officers will be stationed to direct traffic.
- Traffic control persons will be stationed to direct traffic.
