

Davenport Road Partial Closure

November 1, 2024 - December 20, 2024*

*Dates are subject to change due to inclement weather or other unforeseen circumstance.

What Is Happening

A partial closure will be required on Davenport Road under the Metrolinx bridge, west of Caledonia Park Road and east of Wiltshire Avenue, for the installation of a new fire hydrant. Partial lane closures will be required. During the partial closures, traffic will be shifted but will remain open in both directions. One sidewalk will be closed during construction, pedestrians will be detoured by signage.

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line. GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

WHAT TO EXPECT

- Local residents can expect construction activity, noise, and lights. The work being performed will require construction equipment and operating machinery. These disturbances can be expected at any time.
- Work will be conducted as quickly and efficiently as possible to minimize disturbance but residents and businesses in the area can expect to hear noise caused by vehicles, equipment, machinery, and crews.

HOURS OF WORK

- Partial closures will begin on November 1, 2024 12 AM and end on December 20, 2024, 11:59 PM.
- Crews will be working 7 AM to 7 PM. The partial road and sidewalk closures will remain in place outside of crew hours.

LOCATION OF WORK

- On Davenport Road under the Metrolinx bridge, west of Caledonia Park Road and east of Wiltshire Avenue

PEDESTRIAN / CYCLING DETAILS

- One sidewalk will be closed during construction. There will be detour signage located at Wiltshire Ave and Caledonia Park Rd.

TRAFFIC DETAILS

- Vehicular traffic can be expected to experience narrow lanes. Davenport Road will remain one lane for vehicles travelling east and west.
- Bike lanes will be closed; therefore, all road users are expected to follow the rules accordingly.
- Local traffic is reminded to exercise caution around construction vehicles and follow the guidance of on-site personnel.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto West area.
