What Is Happening

Partial lane and sidewalk closures are required on Wallace Avenue, west of Ward Street and east of Campbell Avenue, for sidewalk curb rehabilitation. During this time traffic lanes will be shifted but will remain open in both directions. Vehicular traffic will be detoured by signage and traffic personnel. The north sidewalk will be closed during construction. Pedestrians will be detoured by signage and traffic personnel.

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line. GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

WHAT TO EXPECT

- Residents can expect construction activity, noise, and lights. The work being performed will require construction equipment and operating machinery. These disturbances can be expected at any time.
- Work will be conducted as quickly and efficiently as possible to minimize disturbance but residents and businesses in the area can expect to hear noise caused by vehicles, equipment, machinery, and crews.

HOURS OF WORK

- Partial closures will begin on October 15, 2024, at 12 AM and end on October 25, 2024 at 11:59.
- Crews will be working 7 AM to 7 PM. The road and sidewalks will remain closed outside of crew hours.

LOCATION OF WORK

- On Wallace Avenue, west of Ward Street and east of Campbell Avenue

PEDESTRIAN DETAILS
