

Bloor Street West Partial Road and Sidewalk Closures

October 15 - 25, 2024*

*Dates are subject to change due to inclement weather or other unforeseen circumstance.

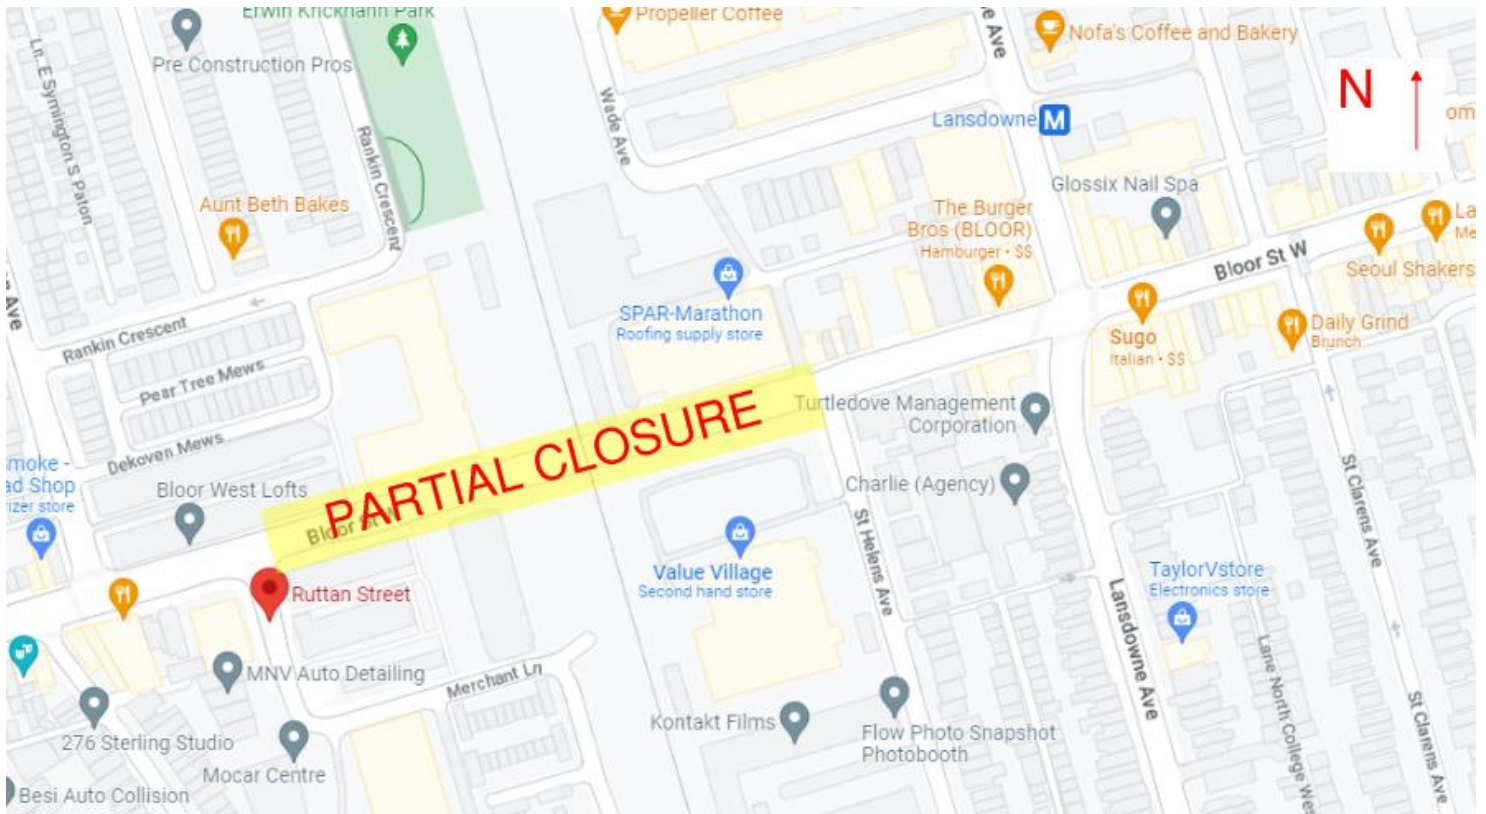

Figure 1: Map showing the approximate location of the partial closure of Bloor Street West. Not to scale. For illustrative purposes only. Metrolinx Image.

What Is Happening

Partial lane and sidewalk closures are required on Bloor Street West, under the Metrolinx bridge, west of St Helens Avenue and east of Ruttan St., for final curb, sidewalk, and road works. During this time traffic lanes will be shifted but will remain open in both directions. One sidewalk will be closed during construction, pedestrians will be detoured by signage located at Lansdowne Ave and Symington Ave.

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line. GO service is expanding to serve you

www.metrolinx.com/barrie-docs-fr

better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

WHAT TO EXPECT

- Residents can expect construction activity, noise, and lights. The work being performed will require construction equipment and operating machinery. These disturbances can be expected at any time.
- Work will be conducted as quickly and efficiently as possible to minimize disturbance but residents and businesses in the area can expect to hear noise caused by vehicles, equipment, machinery, and crews.

HOURS OF WORK

- Partial closures will begin on October 15, 2024 at 12 AM and end on October 25, 2024 at 11:59.
- Crews will be working 7 AM to 7 PM. The road and sidewalks will remain closed outside of crew hours.

LOCATION OF WORK

- On Bloor Street West, under the Metrolinx rail bridge, west of St Helens Avenue and east of Ruttan Street.

PEDESTRIAN / CYCLING DETAILS

- One sidewalk will be closed during construction.

- Bike lanes will be closed. Cyclists must either dismount and use the sidewalk or travel on the road.
- Pedestrians should follow detoured located at Lansdowne Avenue and Symington Avenue.

TRAFFIC DETAILS

- Traffic lanes will be shifted but will remain open in both directions.
- Drivers will be required to follow lane reduction signs.
- Increased construction vehicles and equipment can be expected in the work area and along Bloor Street West.
- Local traffic is reminded to exercise caution around construction vehicles and follow the guidance of on-site personnel.

TRANSIT INFORMATION

- Access to Bloor GO Station from Bloor Street Ave West will remain open.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto West area.
- If you have any questions, please contact us using the information provided below.
