

# Guideway Construction – Dundas to King Street

## Turn Restrictions

Floradale Drive (from November 7, 2024)

Paisley Boulevard (from November 14, 2024)

### What work is taking place?

As construction staging moves to the centre of the roadway for guideway, track, and stop construction, we remind the community that permanent turning restrictions will be in place to ensure the safe flow of traffic. Due to the limited road right of way on Hurontario Street and Paisley Boulevard and the unsignalized intersection of Hurontario and Floradale Drive, it is necessary to permanently close three left turn movements:

- November 7, 2024, the eastbound left turn from Floradale Drive to Hurontario Street (north) will be permanently closed.
- November 14<sup>th</sup>, 2024, the northbound left turn from Hurontario Street to Floradale Drive westbound will be permanently closed.
- November 14, 2024, the left turn for south bound motorists on Hurontario at Paisley Boulevard will be permanently closed.

At Floradale, the eastbound left turn restriction will be in place due to safety reasons as the centre guideway is established on November 7<sup>th</sup>. The southbound left turn restriction will be in place at Paisley Boulevard effective November 14<sup>th</sup>, 2024 due to the limited space in the roadway. These restrictions will ensure the safety of motorists and pedestrians in the area and the smooth movement of traffic.

Motorists who previously completed a southbound left turn at Paisley should turn left at King Street and use Camilla Road to access Paisley Boulevard East.

Motorists who previously made a northbound left onto Floradale Drive should use Paisley Boulevard West or King Street West and Confederation Parkway to access Floradale Drive.

Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to [peel@metrolinx.com](mailto:peel@metrolinx.com)

#### **TIMING**

- The eastbound left turn restriction at Floradale Drive will begin on November 7<sup>th</sup>, 2024.
