What is happening?

To prepare for construction of the Ontario Line Subway at the future King-Bathurst Station, crews will be completing a sewer connection on Bathurst Street.

- This work is done by accessing sewer manholes to connect the Ontario Line site sewer to the main system.
- Crews will drill into the sidewalk to connect the pipelines, equipment such as a small excavator and a hydrovac truck will be used.

What to expect

- The work is scheduled to begin as early as November 25, 2024, and anticipated to be completed in one week. Work will take place from 7:00 a.m. to 7:00 p.m.
- The northbound turning lane at Bathurst Street will be closed during the duration of the work.
- A portion of the northbound sidewalk at Bathurst Street will be closed and pedestrians will be rerouted through the curb lane along Bathurst Street.
- Area residents and businesses can expect to hear noise from work equipment, specifically hydrovac trucks and saw cutting tools as required. Crews will take measures to minimize noise impacts wherever possible.
- Traffic barrels and barriers will be in place to separate and secure work zones for pedestrian safety.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- All necessary construction permits have been obtained.
- For more information about upcoming station work please see metrolinx.com/Ontarioline or sign up for the e-newsletter.
