

Extended: Investigation Work at Yonge St. & Drewry Ave.

Schedule: September 23, 2024 - December 22, 2024

Timing: Monday to Friday from 10:00 am to 3:00 pm, Saturday from 9:00am-7:00pm

Figure 1: The approximate work zones for geotechnical investigation work.
Map is not scale and for illustrative purposes only.

What is happening?

To support the Yonge North Subway Extension Project, restoration for the tie-back obstruction investigative work will take place along Yonge St and Drewry Ave. The purpose of this work is to collect important information for the ongoing procurement of the tunnel contract for the Yonge North Subway Extension.

About the Yonge North Subway Extension:

The Yonge North Subway Extension will transform the commute in York Region, Toronto and beyond by extending the TTC's Line 1 subway service north from Finch Station to Vaughan, Markham and Richmond Hill. This extension includes five confirmed subway stations along an extension of roughly eight kilometres.

Information as of: November 25th, 2024

WORK DETAILS:

- Work at Yonge Street and Patricia Avenue has been extended due to restoration work following tie-back investigation.
- Borehole drilling is now complete. However, restoration timeline is extended due to delays caused by a municipal water main break.
- Tie-backs are supports used to stabilize structures, such as retaining walls or slopes, by anchoring them to a more stable soil layer or rock.

WHAT TO EXPECT:

- Boreholes will be backfilled with bentonite after completion.
- The work site will mobilize and demobilize daily.

PEDESTRIAN IMPACTS:

- Work areas will be clearly marked or fenced off as required to ensure public safety.
- Pedestrians should exercise caution around borehole work zone(s).

TRAFFIC IMPACTS:

- Two lanes will be closed on Yonge St. One lane will remain open to support traffic flow around work zones.
- Traffic control signage will be installed beside each location plan.

HOURS OF WORK:

- Work is scheduled to take place between September 23rd to December 22nd, 2024.
- **Please note that work may be rescheduled due to weather conditions or unforeseen circumstances.**

COMMUNITY ENGAGEMENT:

- Metrolinx Community Engagement team members will also be onsite intermittently during the work to help address any community concerns.
