

Pedestrian Walkway Installation (Phase 1): King Street East

Expected start date: As early as January 15, 2024

Expected end date: Up to 30 days

Hours of work: Weekdays (Monday to Friday) from 9 a.m. to 4 p.m.

Map of work area:

What is happening?

- To ensure that the public is protected from nearby construction within the site, crews will be building a tunnel to cover the pedestrian walkway on King Street East. This is the first installation phase at this site.
- Work will begin as early as January 15, 2024, and is expected to take approximately 30 days to complete.

What to expect

- Work will take place during the daytime (weekdays) between 9 a.m. and 4 p.m. from Monday to Friday.

Sidewalk Closures

- Full closure on the south sidewalk on King Street East between Berkeley Street and Parliament Street.

Partial Lane Closures

- The westbound curb lane on King Street East, west of Berkeley Street and east of Berkeley Street to the west of Parliament Street.
- The northbound right lane on Berkeley Street, south of King Street East.

504 King Streetcar

- The existing TTC bus stop on King Street East, east of Berkeley Street will be temporarily moved west of Berkeley Street for the duration of work.
- The King Street East streetcar schedule will be maintained with no interruptions to service.
- Flag-persons will be present to assist transit riders, pedestrians and motorists where sidewalks and lane closures are in effect.
- Safety barriers will be used to separate motorists and pedestrians from construction zones and active traffic lanes.
- Two-way traffic to be maintained on all streets at all times.
- Clear signage will be posted for transit riders, pedestrians and motorists.
- Crews will take measures to minimize noise impacts wherever possible.
- Equipment will be cleared after every shift.
- All the necessary construction permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- For more information about upcoming station work please see [metrolinx.com/Ontarioline](https://www.metrolinx.com/Ontarioline) or sign up for the e-newsletter.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips each day.
