

Relocation of Toronto Hydro underground electrical utilities at Overlea Blvd and Thorncliffe Park Dr.

Scheduled start date: As early as December 4th, 2024

Duration: Four days approximately

Timing: 7:00 p.m. – 7:00 a.m.

What is Happening?

- As part of the utility relocation works taking place at Overlea Blvd for the Ontario Line, a crew from Toronto Hydro will mobilize to repair a segment of their underground infrastructure near the intersection of Overlea Blvd and Thorncliffe Park Dr.
- The work will take place within ongoing Critical Infrastructure and Utility Works Stage 2 work zone (South side of Overlea Blvd).
- The work at Overlea Blvd and Thorncliffe Park Dr. will begin as early as Wednesday, December 4, 2024 for approximately four (4) days.

What to Expect:

Construction:

- The work will be done using excavators and hydrovac trucks. This is required to safely protect the existing utility infrastructure.
- Residents and businesses near the sites will hear noise caused by work equipment, specifically trucks and excavators. Crews will take measures to minimize noise impacts wherever possible.
- Work may be delayed due to weather conditions or unforeseen circumstances.
- Access to residences will always be maintained.

Safety:

- There will be no impact on sidewalks or roads.
- A paid duty officer and/or traffic control personnel will be on-site managing traffic and pedestrian flow.
- Signage will be posted around the site to direct pedestrians.
- Equipment may be left on site but will be properly secured and stored to ensure safety.
- Dust will be mitigated by misting, sweeping and /or the use of a hydrovac vehicle.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips each day.
