

# Cable Pulling and Toronto Hydro Excavation on Stewart Street

**Expected start date:** As early as April 4, 2024

**Expected completion date:** Mid-June, 2024

**Hours of work:** Weekdays, 7:00 a.m. to 5:00 p.m.

## What is happening?

- To accommodate future excavation and construction of King-Bathurst Station on the Ontario Line, Toronto Hydro will be moving underground utilities in the vicinity of the station site.
- Toronto Hydro through its contractor Entera will be pulling cables and performing excavation along Stewart Street between Bathurst and Portland Street as the first phase of works.

## What to expect

- Work will begin as early as April 4, 2024.
  - Crews will set up in the curb lane and access manholes and hydro poles along the road.
  - Crews will alternate between occupancy of the north and south curb lanes always maintaining access along the street as they proceed from west to east in stages.
  - Access to driveways will be maintained, temporary steel plates may be used to cover trenches as part of the process.
  - Hydro cable pulling will take approximately six (6) to eight (8) weeks.
- Work will take place from Monday-Friday, 7 a.m. to 5 p.m.
- Residents and businesses in the area may hear noise caused by work equipment. Crews will take measures to minimize noise impacts wherever possible.

### Note:

- All necessary construction permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.
