

# Update: Notice of occasional overnight water shutdowns impacting buildings at Queen Street East and Victoria Street

**Expected start date:** As early as December 5, 2024

**Duration:** Two nights (December 5 and 6, 2024)

**Hours of work:** Overnight, from 7:00 p.m. to 5:30 a.m.

## What is happening?

- To facilitate construction of the new Ontario Line subway station at Queen, crews must shift the location of the existing water services lines that are in conflict with the building footprint of the future station.
- To complete this work, temporary, occasional overnight water shutdowns will be required to neighbouring buildings, including:
  - **27 Queen Street East**
  - **105 Victoria Street**
- Full service will be restored during the day.
- Work will take place within the closed worksite and no pedestrian or traffic impacts are expected.

## What to expect

- Temporary overnight shutdown of water services to neighbouring buildings listed above will be required while water services are transferred.
- Shutdowns will be completed during overnight shifts (7:00 p.m. to 5:30 a.m.) to limit impacts to neighboring buildings and tenants.

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips each day.
