

# Notice of Extended Work Hours at Corktown Station sites

**Expected start date:** December 4, 2024

**Hours of work:** 7:00 p.m. to 11:00 p.m., Monday to Friday with some Saturday work as required

**Expected completion:** End of December 2024

## What is happening?

- To maintain the schedule and progress of station construction and to protect the concrete before temperatures drop, construction crews will be working extended hours at both the north and south sites. This work includes frost protection, formwork, and grouting activities, and will continue until approximately 11:00 p.m.
- Additionally, periodic Saturday work may be required. Further details will be provided to the community.
- To minimize the impact on residents and businesses in the area, mitigation measures are in place, including noise and vibration monitoring, as well as enhanced site hoarding.
- These extended work hours are in addition to the regular Monday-to-Friday schedule, which typically takes place between 8:00 AM and 5:00 PM.
- Residents may notice equipment moving around the site and hear construction noise from machinery and vehicles entering and exiting the area.
- Please note that work may be postponed or rescheduled due to unforeseen circumstance

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips each day.
