

Cable relocation work at James Street and Queen Street West

Expected start date: As early as December 16, 2024

Duration: Up until December 20, 2024.

Hours of work: Weekdays from 8:00 a.m. to 5:00 p.m.

Map of Work Area

What is happening?

- To facilitate ongoing construction of the new Ontario Line subway interchange station at Queen Station, crews must shift the existing underground cables in proximity to James Street that conflict with footprint of the future station.
- Hydrovac trucks will assist in the process, removing debris from the work area as crews relocate the cables to their new locations.
- Work will take place within the existing closed worksite and no pedestrian or traffic impacts are expected.

What to expect

- There will be noise from hydrovac trucks as they assist in the cable relocation process.
- Ongoing construction activities will continue within the existing Queen Station work zone, including piling, trucks entering and exiting, and crews moving equipment.
- This work will **not impact** pedestrian access to the James Street crossing that is currently being maintained as follows:
 - weeknights from 5:00 p.m. to 11:00 p.m.
 - Saturdays, Sundays, and Statutory holidays from 8:00 a.m. until 11:00 p.m.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips each day.
