

Concrete removal work at Scarlett Road

Scheduled start: January 6, 2025

Expected completion: February 7, 2025

Timing: 7:00 a.m. to 5:00 p.m.

Map of Work Area

What is happening?

- WestEnd Connectors Construction, working on behalf of Metrolinx, will be chipping concrete at the future Light Rail Transit (LRT) portal on the north side of Eglinton Avenue West, just west of Scarlett Road.
- The future LRT portal is where the light rail vehicles will exit and enter the tunnel.

Traffic and pedestrian impacts

- There will be no pedestrian impacts.

What to expect

- Nearby residents can expect to hear noise from equipment, such as, jack hammers, generators, excavators, dozers and trucks.
- Weekend or overnight work may be required. Residents will be provided with updates as they are available.
- The information provided is anticipated based on the current construction schedule and is subject to change.
- Remember to reduce your speed when approaching work zones and watch for slow-moving vehicles entering and exiting work areas.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
