

Emergency Sewer Replacement Works at Muriel Avenue and Gertrude Avenue

Expected duration: Starting on Thursday, January 23 for two weeks

Hours of site operation: Seven days a week on a 24-hour basis

What is happening?

- Due to an unanticipated sewer blockage, crews are undertaking emergency sewer replacement.
- On January 23, crews began replacing the combined sewer pipe on Muriel Avenue, directly north of the current jet grouting works.
- Residents can expect noise and vibration from the use of a hydrovac truck.
- This work is expected to take two (2) weeks.
- Crews will work on a 24-hour basis.
- Muriel Avenue from Selkirk Street to Gertrude Place will be restricted to local traffic and street parking only.
- Two paid-duty officers will be deployed to assist with traffic.

- Garbage trucks will not be able to access the street during sewer works. On Wednesday, crews will move garbage bins to Selkirk and Muriel for pickup. Residents are instructed to label their bins and leave them at the curb in front of their properties at the time they usually leave it out.
- Snow removal will be done by construction crews.
- Pedestrian access will be maintained.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
