

# UPDATE: Periodic Saturday work at Moss Park continues

**Expected start date:** Work started on January 4, 2025

**Hours of work:**

**Saturdays from 7:00 a.m. to 5:00 p.m. in addition to weekday work hours**

## What is happening?

- Excavation is progressing at the future Ontario Line Subway at Moss Park, as crews dig the bedrock to a depth of approximately 32 metres.
- Weekend work will take place Saturdays between 7 a.m. and 5 p.m. for the next several weeks. More information will be shared as the project progresses.
- This work is in addition to weekday work (Monday to Friday) between 7 a.m. to 7 p.m. which is already underway at Moss Park.
- Additional work hours may be required to allow teams to complete consecutive works.
- Working hours are not expected to extend beyond 11:00 p.m.
- Crews will arrive to site prior to the start of works to set up equipment.
- Residents will see cranes, excavators, dozers and dump trucks on-site during this phase of work. Construction noise is expected from the use of excavators and dozers for the removal of spoils.
- Increased truck traffic entering and leaving worksites daily is expected, following a specified route.
- No impacts to sidewalks or lanes are anticipated.
- Access to the arena parking lot will be maintained.
- To reduce impacts to residents and businesses, mitigations are in place including air quality, noise and vibration monitoring, site acoustic hoarding, mud mats and dust suppression, and no overnight works. \*Mitigation efforts vary from site to site.
