

Environmental Site Assessments (ESA) at Yonge Street and Steeles Avenue E.

Scheduled work period: February to March, 2025

Timing: 8:00 a.m. to 6:00 p.m.

What is happening?

Metrolinx will conduct several environmental assessments in the Yonge Street and Steeles Avenue East-area. These assessments are critical for supporting preparatory activities and planning for future construction.

About the Yonge North Subway Extension

The Yonge North Subway Extension will transform the commute in York Region, Toronto and beyond by extending the TTC's Line 1 subway service north from Finch Station into Vaughan, Markham, and Richmond Hill. This extension includes five confirmed subway stations along an extension of roughly eight kilometers.

Work Activity:	Work Date:	Working Hours:	Work Details:
Designated Substances and Hazardous Materials Survey	February 11 th , 2025, to February 25 th , 2025	8:00am - 5:00pm	Crews will inspect the buildings and collect samples from wall paint, caulking tiles or roof for designated substances and hazardous materials identification using hand tools.
