

Bloor Street West Partial Closure

February 10-14, 2025

What You Need to Know

A partial closure will be required on Bloor Street West under the Metrolinx bridge, west of St. Helens Avenue and east of Ruttan Street., for street lighting installation. Partial lane closures will be required. During the partial closures, traffic will be shifted but will remain open in both directions. The north sidewalk will be closed during construction, pedestrians will be detoured by signage located at Lansdowne Avenue and Symington Avenue.

WHAT TO EXPECT

- Local residents can expect construction activity, noise, and lights. The work being performed will require construction equipment and operating machinery. These disturbances can be expected at any time.
- Work will be conducted as quickly and efficiently as possible to minimize disturbance but residents and businesses in the area can expect to hear noise caused by vehicles, equipment, machinery, and crews.

HOURS OF WORK

- 7:00am - 7:00pm

PEDESTRIAN DETAILS

- The north sidewalk will be closed during construction. There will be detour signage located at Lansdowne Avenue and Symington Avenue.

TRAFFIC DETAILS

- Vehicular traffic can be expected to experience narrow lanes. Bloor Street West will remain one lane for vehicles travelling east and west.
- Bike lanes will be closed; therefore, all road users are expected to follow the rules accordingly.
