

Borehole drilling - Jane Street to Mount Dennis Station

Scheduled start: Week of February 17th

Duration: Approximately four weeks

Timing: Weekdays and weekends, daytime from 7:00 a.m to 5:00 p.m and overnight from 9:00 p.m to 5:00 a.m

Map of work area:

What is happening?

- As part of the tunnel construction between Jane Street and future Mount Dennis Station, crews on behalf of Metrolinx will be drilling boreholes to investigate soil conditions along the route. This work is essential to inform the design and construction of the tunnel.

Hours of work

- Work will begin the week of February 17th, 2025, and will take place weekdays and weekends, from 7:00 a.m. to 5:00 p.m. and overnight from 9:00 p.m. to 5:00 a.m.
- Work may be delayed due to weather or unforeseen circumstances.

What to expect

- Nearby residents and businesses may experience noise and minor vibrations from drilling activities, measures will be taken to minimize disruptions wherever possible to the surrounding residential area.
- Construction activities will occur along Eglinton Avenue West between Jane Street and Mount Dennis Station.
- A single lane will be closed in alternating sections, eastbound and westbound, between the Jane portal and future Mount Dennis Station. Traffic control measures will be in place.
- Remember to reduce your speed when approaching work zones and watch for slow-moving vehicles entering and exiting work areas.
