

Gowan Avenue Overnight Water Main Shut Off

Expected start date: March 6-7, 2025 (overnight)

Expected duration: Eight (8) hours

Hours of work: 9 p.m. (March 6) to 5 a.m. (March 7)

What is happening?

- Crews are finalizing watermain replacement work at Gowan Avenue and Pape Avenue.
- **To complete the connection to existing city infrastructure, there will be an overnight shut off for eight hours starting at 9:00 p.m. on March 6 to 5 a.m. on March 7.**

During the shut-off, water service will not be available to the following addresses:

129-179 Gowan Avenue (south side only)

992-1000 Pape Avenue (west side only)

- It is recommended that residents at these locations store water for domestic use during this period.

Note:

- All necessary construction permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances. If the shut-off is rescheduled, a new notification will be distributed.
- For more information about upcoming work, please see metrolinx.com/ontarioline or sign up for the e-newsletter.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 40 minutes from one end of the line to the other.
28,000 fewer cars on the road each day.
