

Cosburn Avenue Overnight Water Main Shut Off

Expected start date: March 7-8, 2025 (overnight)

Expected duration: Approximately six (6) hours

Hours of work: 11 p.m to 4 a.m.

What is happening?

- As part of utility relocation works to accommodate the construction at the site of the future Ontario Line Cosburn Station a new water valve will be installed on Cosburn Avenue.
- To install the water valve there will be an overnight shut off for twelve hours **starting at 11 p.m. on March 7 and ending at 4 a.m. on March 8.**

During the shut-off, water service will not be available to the following addresses:

30 to 101 Cosburn Avenue
1135 and 1145 Logan Avenue

- It is recommended that residents at these locations store water for domestic use during this time period.

Note:

- All necessary construction permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- For more information about upcoming work, please see metrolinx.com/ontarioline or sign up for the e-newsletter.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 40 minutes from one end of the line to the other.
28,000 fewer cars on the road each day.
