

Full closure of Danforth Avenue between Warden Avenue & Eastwood Avenue

19-27 March 2025

What is happening?

In between the 19-27 of March 2025, construction crews will be working on the railway bridge over Danforth between Warden Avenue and Eastwood Avenue. We will need to close the road completely starting at 12:01 am on March 19 and ending at 11:59pm on March 27. Preparations for the road closure will begin in the evening hours of March 18. Please plan for additional time for your morning and evening commutes starting from March 19.

Construction activity	Timescale	Working hours	Description of work
Installation of metal girders between the bridge piers and works to secure them in place.	Full closure of Danforth Ave (19-27 March 2025)	Daily, 24 hours a day	During the full road closure, we will be using a mobile crane to install metal girders across the road between the bridge piers. During the full closure we will be working on the girders and from the street level to permanently secure them.

HOURS OF WORK

- We will be working 24 hours every day throughout the construction period.

WHAT TO EXPECT

- Residents should expect some noise, vibration and potentially site lighting. Some dust may be generated from the construction activities.
- Our staff will take reasonable precautions to minimize disturbances to residents and commuters, including but not limited to the following:
 - Reduced idling of non-essential equipment
 - Pointing lights away from residential windows (if used)
 - The work area will be safely secured.

TRAFFIC & PEDESTRIAN DETAILS

- During the full closure (19-27 March), Danforth Ave will be completely closed to road traffic and pedestrians between Warden Avenue and Eastwood Avenue.
- Increased construction and delivery vehicles and equipment can be expected in the vicinity of the work area.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto East area.
- If you have any questions, please contact us using the information provided below.
