Map of work area

What is happening?

- Crews working on behalf of Metrolinx will be removing and pruning trees on the northwest side of Royal York Road and Eglinton Avenue West.
- These removals are needed to accommodate future station work for the Eglinton Crosstown West Extension.
- All removal and pruning of trees and vegetation in this area have been approved by the City of Toronto.
- Metrolinx will plant more trees than we remove.
- Tree removals will occur outside of bird breeding and nesting periods.
- Metrolinx is working closely with the City of Toronto and Toronto Region Conservation Authority to plant new trees as early as we can. Learn more about our tree planting program at metrolinx.com/vegetation.

What to expect

- Nearby residents can expect to hear noise from equipment, such as trucks, excavators, woodchippers, and chainsaws.
- A crane will be present on site.
- Work areas will be fenced off and secured to ensure public safety. They will also be clearly marked with signage.
- Work may be delayed due to unforeseen circumstances. Residents will be provided with updates as they are made available.
- The information provided in this notice is anticipated based on the current construction schedule and is subject to change.
- Occasional weekend work may be required.
- Remember to reduce your speed when approaching work zones and watch for slow-moving vehicles entering and exiting work areas.

Traffic and pedestrian impacts

- There will be no traffic or pedestrian impacts.
