What is happening?

- Staff from the Toronto and Region Conservation Authority under contract to Metrolinx will be installing bat box habitat structures in areas of the Martin Grove, Kipling, Islington and Royal York communities outlined on the maps above.
- The habitat structures will provide a safe environment for the local bat population.
- Work to install the bat boxes will be happening in the area of Deane Park, parkette west adjacent to Kipling Woodlot, Silvercreek Park, and Eden Valley Park.

What to expect

- Crews may use augers and skid steer loaders to assist with the installation of the bat boxes in parks and nearby natural habitats.
- Traffic and pedestrian access will not be impacted.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.
