WHAT'S HAPPENING

Construction crews are preparing to build foundations on the west side of the rail bridge over Eastern Avenue. Construction of the foundations is expected to start on March 10th at 7:00AM and to finish on May 31st at 5:00PM. Schedule is subject to change.

This work is expected to produce elevated levels of noise and vibration. Work will take place during the day from 7:00AM to 7:00PM, Monday to Friday. Weekend work is expected from 7:00AM to 5:00PM on Saturdays and Sunday. Overnight work is also expected. Crews will continue dust control protocols.

WHAT TO EXPECT

- Drilling into the earth with large scale drills.
- Concrete trucks will be pouring foundations throughout the course of this work.
- Our operations staff are taking precautions to minimize disturbances to residents, businesses, and commuters, including but not limited to the following:
 - no idling of non-essential equipment
 - scheduling heavy construction during daytime hours
 - pointing lights away from residential windows
 - delineating safe work zones
 - water spraying to control dust.
