

Fence Installation at Jimmie Simpson Park and McCleary Playground

Dates: Starting as early as Monday March 24, 2025 until late April 2025

Hours of work and duration: Monday to Friday, between 7 a.m. and 7 p.m.

What is happening?

- High security fence will be installed along the retaining walls beside Jimmie Simpson Park and McCleary Playground starting as early as Monday, March 24, 2025.
- The fence will protect the new retaining walls and noise barriers until the final landscaping work is completed.
- The fence will be 2.4 meters tall and is designed to be unclimbable.
- The fence will be installed on Metrolinx property and the installation work will take place from within Metrolinx property.
- Access into the Park is not required to install the fence.

What to expect

- Residents can expect to see small construction equipment operating behind the existing construction fence that runs along the retaining walls.
- Materials will be brought into the work area from within the rail corridor using telehandlers and by hand.
- The work area will be delineated with fencing and construction personnel will be monitoring activity in the parks to limit community disruption throughout the work.
- Augers, small excavators, trucks, hand tampers, and hand tools will be used to install the fence.
- Minor noise is expected during this work. Monitoring instruments are in place to ensure that noise and vibration levels stay within acceptable limits.
- This work may be delayed or rescheduled due to inclement weather and/or unforeseen circumstances.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 transit connections, including GO, TTC, and more.
- Approximately 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
