

UPDATE: Track Work on Topflight Drive, including Partial Intersection Closure at Hurontario Street

April 9 - July 31, 2025

What work is taking place?

Necessary track rework at the intersection of Topflight Drive and Hurontario Street, as well as on Topflight Drive, will begin on **Wednesday April 9 at 10 p.m.** until **Thursday July 31, 2025 at 10 p.m.** This track rework is being done to ensure safe operations of the future light rail vehicles.

The work in the area will require a partial intersection closure at Topflight Drive and Hurontario Street, lane reductions on

Hurontario Street, and turning restrictions at Kingsway Drive and Hurontario Street. Traffic on Hurontario Street will be reduced to a single lane north and southbound from south of Highway 407 to Kingsway Drive. Detour routes for turning restrictions in place are available via Derry Road, Edwards Boulevard, and Derrycrest Drive. All turning movements and lane reductions will be reinstated only when work at the intersection is completed. Track rework will also take place on Edwards Boulevard upon completion of these works, with scope and dates to be announced in the future.

Access to businesses and properties will be maintained during these works, but may require temporary restrictions or alternative access during this period. On-site crews will support traffic movements on Topflight Drive to and from businesses.

Construction work in the area is scheduled to take place on Monday to Sunday **from 7 a.m. to 10 p.m.**, with most days concluding at 7 p.m. Access for emergency vehicles will only be maintained via the detour routes. Traffic signals at the intersection of Topflight Drive and Hurontario Street will be deactivated, and other signals will be adjusted to keep traffic flowing. Pedestrian east-west crossings will be prohibited at Topflight Drive as well as the north crosswalk at Kingsway Drive. The east sidewalk along Hurontario Street from north of Topflight Drive will be closed. Please follow the signs installed to assist with navigating around the closure.

Bus routes will be detoured as the stops at Hurontario Street at Topflight Drive and Kingsway Drive will be closed. Visit MiWay.ca, BramptonTransit.com and gotransit.com for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that businesses near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axes, backhoes, and other construction equipment related to this work. Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.
