

Sidewalk and road restoration around Lawrence Avenue and McCowan Road

Schedule:

- March 31 – April 21, 2025

Timing: 7:00 a.m. to 7:00 p.m., weekdays

Note: The information provided in this notice is subject to change; work may be delayed due to weather and other unforeseen circumstances

What is Happening

- As the construction work continues on the Scarborough Subway Extension, crews will be restoring parts of the sidewalks on Valparaíso Avenue, Killbride Road, Hollyhedge Drive, McCowan Road and Lawrence Avenue East.

What to Expect

- Crews will complete the sidewalk and roadway restoration from March 31 to April 21.
- On McCowan Road, crews will be doing using a phased approach for lane closures. Two-way traffic will be maintained at all times. One lane will be closed from time to time during the duration of the work period, to complete the resurfacing and asphalt work.
- The restoration will include temporary closure and rerouting of the pedestrian walkways.
- Wayfinding signage and/or traffic control personnel will safely guide pedestrians and traffic around the work area.
- Access to residences and businesses will be maintained throughout, and wayfinding signage will be installed.
- Nearby residents and businesses may hear construction activity noise.

About the Project

- A nearly eight-kilometre subway extension will extend Line 2 farther into Scarborough.
- Three new stops will have connections to up to six other transit options including TTC buses, GO train, GO buses, the Eglinton Crosstown LRT, Durham Region Transit, and the proposed Sheppard Extension.
- The extension will accommodate up to 105,000 daily boardings and put 34,000 more jobs within walking distance to rapid transit.
