

## Lane closures near Nugget Avenue and McCowan Road

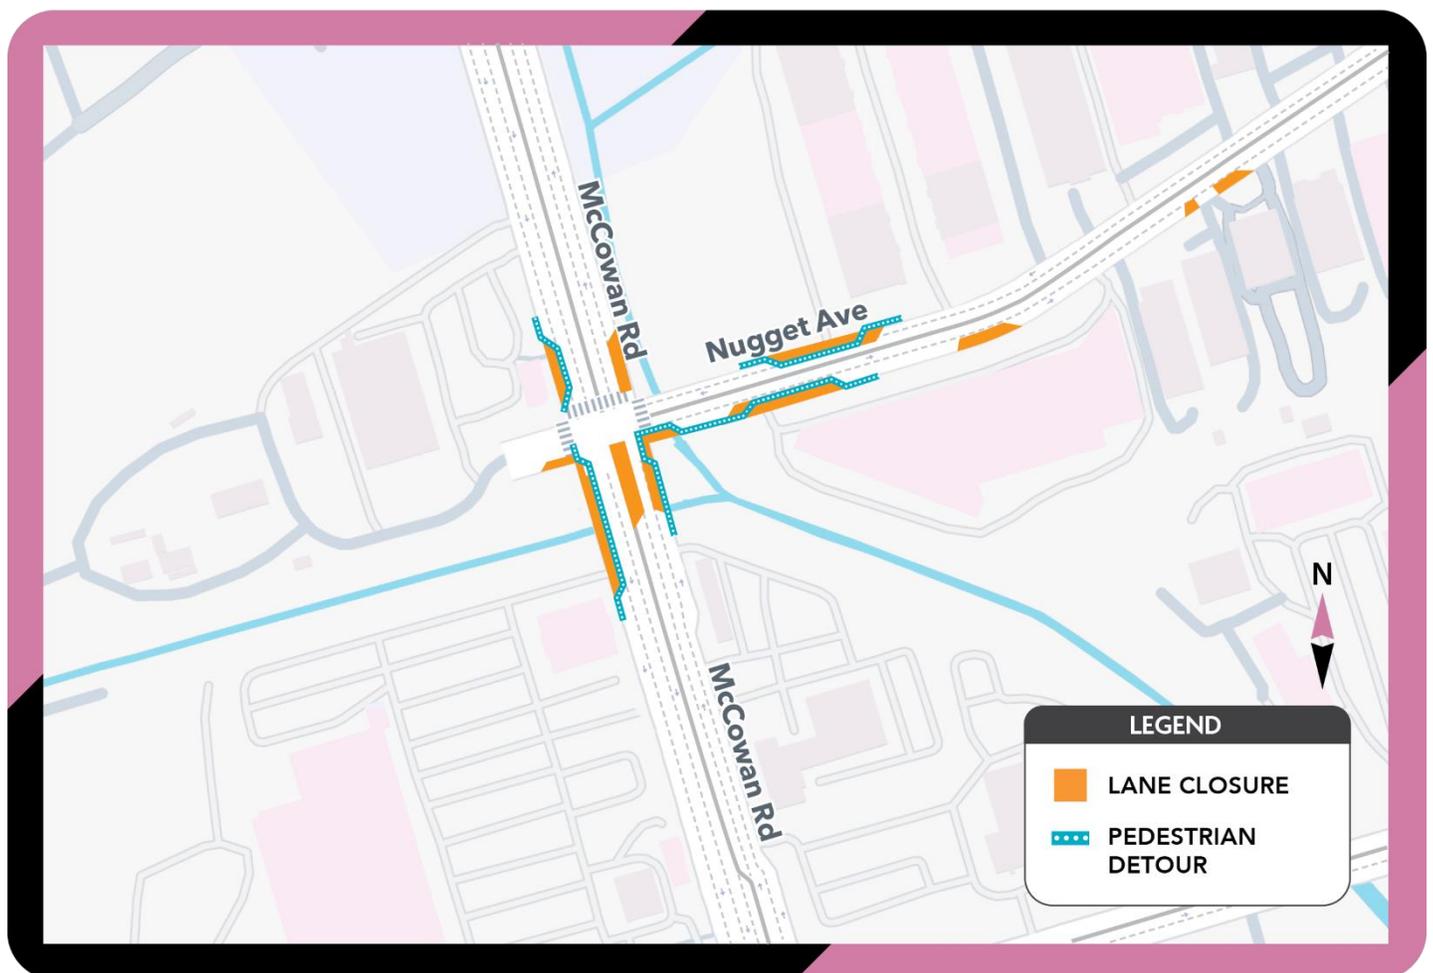

### Schedule:

April 7 - end of June, 2025

### Timing:

- 7:00 a.m. to 5:00 p.m. weekdays on Nugget Avenue
- 9:00 a.m. to 4:00 p.m. weekdays on McCowan Road

*Note: The information provided in this notice is subject to change; work may be delayed due to weather and other unforeseen circumstances*

## What is Happening

- To prepare for construction of the Scarborough Subway Extension, telecommunication and hydro lines are being relocated in the area of Nugget Avenue and McCowan Road.

## What to Expect

- Work will be completed using a phased approach to maintain flow of traffic and public and worker safety. Not all lane restrictions and work areas will be present at any given time.
- Throughout the project, when required, sidewalks may be rerouted. Wayfinding signage and cement barriers will be utilized to safely guide pedestrians and traffic around the work area.
- The ability to turn east or west onto Nugget Avenue from northbound McCowan Road may occasionally be affected throughout this period.
- Where possible, traffic lanes and pedestrian walkways will be reinstated at the end of each work shift.
- Flaggers and paid duty police officers will control traffic as needed.
- All bus stops in the area will remain in use.
- A phased approach to the work will ensure access to residences and businesses will be maintained throughout.
- Nearby residents and businesses may hear construction activity noise.

## About the Project

- A nearly eight-kilometre subway extension will extend Line 2 farther into Scarborough.
- Three new stops will have connections to up to six other transit options including TTC buses, GO train, GO buses, Line 5 Eglinton, Durham Region Transit, and the proposed Sheppard Extension.
- The extension will accommodate up to 105,000 daily boardings and put 34,000 more jobs within walking distance to rapid transit.
