What is happening?

- WestEnd Connectors Construction, working on behalf of Metrolinx, will be landscaping and removing and replacing pavement on Dryden Way and Eglinton Avenue West.
- Landscaping will take place where equipment was stored from previous construction work.
- This work is required to bring the area back to its original condition.

Traffic and pedestrian impacts

- Temporary lane closures will be required in three stages.
- There will be no pedestrian impacts.
- Stage 1: One westbound lane will be closed (as seen in map above).
- Stage 2: One eastbound lane will be closed.
- Stage 3: One westbound and eastbound will be closed.
- One westbound and eastbound lane will remain open at all times.
- Traffic signage will be provided during construction.

What to expect

- For paving activities, nearby residents can expect to hear noise from equipment, such as excavators, asphalt saws, asphalt grinders, paving machines and trucks.
- For landscaping, nearby residents can expect to hear noise from slinger trucks, and excavators.
- Traffic signage will be provided during construction.
- Weekend or overnight work may be required. Residents will be provided with updates as they are available.
- The information provided is anticipated based on the current construction schedule and is subject to change.
- Remember to reduce your speed when approaching work zones and watch for slow-moving vehicles entering and exiting work areas.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of Line 5 Eglinton will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
